

# **President's Message**

Welcome to the 143rd Roseneath Fair. The fair that offers something for each and every individual!

As always, the fair provides a vast array of activities and opportunities for all age groups to compete and participate in or just relax and enjoy one of the shows or demonstrations ranging from dairy & beef shows, steer sale, horse, sheep and dog shows or displays. The Kids Corner is a wonderful venue where children create and keep a variety of crafts for free. Relax and watch the ever popular antique tractor pull or horse and pony pulls. Don't forget to take a ride on the world famous Roseneath Carousel. Get ready for the lumberjack show, the strongman competition, the lawnmower racing and horseshoe pitching.

Please allow me this opportunity to thank the directors, the dedicated volunteers and the exhibitors that make Roseneath Fair a success. Without this large group of individuals, there would not be this great fair. "Thank You"

The Roseneath Agricultural Society takes pride in offering a variety of events. So please come out, meet old and new friends and enjoy an activity that is of interest to you. "See you at the fair"!

As president of the Homecraft Division, I would like to extend a special invitation to everyone to come and enjoy the Fair. There are many new events, activities and opportunities for all age groups to participate in or just sit back and relax.

A great big thank you to all of our directors, volunteers and exhibitors because without you we wouldn't have a fair.

Best of luck to all!  
So please come and join us as we make new friends and many memories.
